Regulatory Concern

You have identified some concerns that a provider is breaching its regulatory responsibilities.

The CQC monitor and inspect regulated care providers to ensure that they are meeting the fundamental standards:

- Person centred care
- Dignity and respect
- Consent
- Safety
- Safeguarding from abuse
- Food and Drink
- Premises and equipment
- Complaints
- Good Governance
- Staffing
- Fit and Proper staffing
- Duty of candour

Examples therefore include:

Misuse / improper use of legislation

Poor staffing

Presence of appropriate facilities

Concerns over knowledge of staff

All regulatory concerns must be reported to the CQC via the following means:

Telephone: 03000 616161

Email: enquiries@cqc.org.uk

Further support and advice is available from the MPFT Safeguarding Service. Please call 01785 895629

Completing an incident on Safeguarding will not lead to the commencement of any of the above identified actions, if the incident also requires incident reporting you will have to follow all necessary reporting processes
